## **MEALS & REFRESHMENTS**

Dietary restrictions and allergies have been taken into account upon registration. If you forgot or haven't updated us on any special dietary requirements, please let us know.

## **NETWORK OPPORTUNITIES**

Don't be shy! Go meet some new people. We've created this space specifically for us to be in community with our people.

## **COVID-19 PRECAUTIONS**

Your safety is our priority. As we are still navigating the COVID-19 pandemic, our teams are working hard to ensure that we can all engage as safely as possible. We are asking everyone to mask via their travels to Atlanta and while indoors at the event space. We are also asking everyone to take a rapid COVID-19 test before entering the space, which will also be available on-site.

Three hours of our event will be held inside with HEPA filters, and four hours will be held outside. We will continue to share safety information during Family Weekend. Hand sanitizing stations and masks will be available throughout the venue. If you begin to experience cold-like symptoms, we ask you to stay home.
